Hi, Chris. We received a similar email from Janice about you speaking on Area 40. That would be great if you wouldn't mind leading a discussion about the RI.  
Thanks,  
Lynn

Hi Lynn - I figured I should start passing these requests through you before accepting. Would EPA like to present on this topic? I would be happy to, I just don't want to overstep my bounds. Chris

Hi Chris,  
I know that you have reviewed Area 40 with the CAG members in the past, but, with the RI released, it seems as though it would be helpful to have some review of the site. Would you be willing to do that, perhaps with Alex, at next Wednesday's CAG meeting?  
I'll cc' Alex - we had briefly discussed Area 40 a couple of weeks ago.

I might be making it more complicated, bringing it up to both of you, but we can all discuss!  
Thank you for your consideration of this item!  
Janis
